

To whom it may concern,

Re: Reference for NewKidz on the Block from MySchool

Newkidz on the Block assisted Woolworths and the MySchool Fundraising programme with an extreme makeover of the St. Georges Home for girls in Wynberg over the weekend of the 4th to 7th March 2010 along with 470 volunteers from the Cape Town Community.

This was our first project with the organisation which was completed within the given 4-day time frame. The normal time frame for completion of a project of this size was estimated at 6 weeks.

Newkidz on the Block managed the budget we allocated to this makeover and delivered the physical project within time and budget agreed upon (MySchool managed the marketing and Public Relations for the campaign). They also sourced volunteers. Throughout the project there was communication between us and Newkidz on the Block prior to and during the project to ensure the effective delivery of the extreme makeover.

In our opinion the final project was successfully delivered and we would make use of their services for similar projects in future.

Yours truly

Helene Brand
