Dear Hilda

On behalf of all at GlaxoSmithKline, we wish to thank you for the outstanding work you have done coordinating our Orange Day. It is at the heart of our company's mission – *“to help people do more, feel better and live longer”*, and I can proudly say that we have done very well with this project (Orange Day). Not only did we succeed in delivering the best to the **Heatherdale Children's Home**, but we have also managed to united and revive the spirit of giving in our employees. Without your expertise this project wouldn't have been as fun and fulfilling as it was, your professionalism and dedication made such a complex project seem easy to execute.

We are all looking forward to working with you again in future.

Yours sincerely
